More Great NEWPS!

May 20, 2011

Greetings!

This is our second group of newps from the recent Baltimore show, the PAN show, a few local shows, and some other acquisitions. Highlights include an 1822 dime in NGC AU-58+, and an "affordable" 1839 Gobrecht dollar in EF. These newps also include over 50 Seated dimes, over 30 Seated halves, and over a dozen Seated dollars. Our **newps** over $300 are listed below. The newps $300 and under are on the website. **If you see any coin(s) of interest, please call (717)533-2935 or e-mail us to reserve the coin(s) that you want**. We have posted pictures of all of the newps. We also have a limited quantity of the wonderful new book ***"Early Quarter Dollars of the United States Mint 1796 - 1838"*** *by Rea, Peterson, Karoleff, and Kovach*. It is available on our "Books" page.

Different hall for the June Baltimore Show

If you plan to attend the Baltimore show June 16 - 18, please note that, because of construction, the show will take place in Hall F rather than the normal Halls A, B, and C. Hall F can be entered from the S. Howard St. side, between S. Pratt and S. Camden Sts. I will be at Table #612, and I hope to see you there!
